## 1. Chapter 1 I runaway and fight monsters

Wizard bloods Chapter 1- I runaway and fight monsters

\*\*Hermione POV\*\*

She had been fighting monsters left and right. All she knew was that she wanted to go New York , but not why. She heard a shout and stepped outside of her tent for a quick look to see what was going on. She saw 5 kids getting chased by a monster. She used a sharp pole she had made from scrap metal and throw it. It hit the monster in the center of the heart and dissolved into dust.

\*\*Annabeth POV\*\*

I saw something hit the monster and out of the corner of my eye I saw something that looked like a girl who was about my age. When I fully looked I didn't see a girl, but instead a small house tent. Then I said, "Luke can we go check out the house tent."

"He said, " Sure. Also I think this is where the spear came from."

\*\*Thalia POV\*\*

I said, "Come on let's go already, "

Sorry blame my ADHD.I ran to the place then Annabeth said, "Do you think we should knock because I think someone lives here,"

## 2. Chapter 2

Chapter 2 -I make friends that are not monsters

\*\*Luke POV\*\*

Annabeth knocked on the door and a girl who was about her age answered. "Um, Hello, are you monsters?" she answered.

I said, "If we were monsters would we give you your weapon back," tossing the weapon at her. She caught it quickly.

The girl said, "um, no,"

Then she said, " if you guys aren't monsters than who are you?"

Thalia who had been quiet up until now said, "I'm Thalia, this (jerks thumb at Annabeth) is Annabeth, the kid with blond hair is Luke, and the boys over there (points to Harry and Ron) Harry and Ron. I'm 12, Annabeth is seven, Luke is 12, and Harry and Ron are also 7.

The girl said, " I guess since I know your names, I better tell you mine. I am Hermione Granger and I am 7 years old."

Author note: I took a guess at Thalia and Luke's ages at the time..
